CG West welcomes Podany and Mendoza to team

Santa Fe Springs, Calif.— Continental Girbau West (CG West) recently welcomed Steve Mendoza and Michelle Podany to the CG West Team. Mendoza serves as parts and warehouse assistant, while Podany serves as office support coordinator.

Mendoza, of South Gate, Calif., is bilingual in English and Spanish. In his new role as parts and warehouse assistant, he supports a growing CG West parts department by handling parts and product order completion, inventory stocking and warehouse organization. Communicating daily with CG West customers, in person or via phone, Mendoza provides high-quality service in a timely manner, according to Tod Sorensen, CG West vice president. “We are really happy to have Steve as part of our team,” he said. “His bilingual ability and previous experiences allow him to hit the ground running. He’s a quick learner and already a valued employee.”

Podany, of Whittier, Calif., serves CG West customers, as well. As office support coordinator, she supports CG West’s sales staff, responds to customer inquiries, assists the parts department and directs all incoming calls. Podany, who holds considerable experience using Microsoft software applications, processes installation quotes, handles order fulfillment, and prepares bills of landing for shipment. “Michelle brings excellent office and customer care skills to CG West,” said Sorensen. “She juggles a variety of tasks simultaneously and she’s a great asset to our team.”
